# YSC Swim Carnival!

**Our very own YSC Swimming Carnival is on Sunday 30<sup>th</sup> August, starting at 3.30pm.**

We ask parents to please regard this carnival as **compulsory** for all children at Level 4 or higher and optional for Level 3.

The YSC Swimming Carnival is an opportunity to assess how the kids are progressing. We have previously discovered some very real talent at this meet. Parents and kids will also get to see some of our great YSC National Development Squad swimmers.

**If your child likes swimming fast, the path to competitive swimming starts here:**

## YSC swimmers get JX Australian Ranking awards

Five young YSC swimmers have received Junior Excellence Australian Ranking Awards.

**Amelie LeGrand** got a Gold Star for achieving in the top one per cent of swimmers in Australia.

**Stefan Holmes** and **Lloyd Deunk** got gold (top 10 per cent). **Ryan Marcina** landed a Silver award for top 20 per cent and **Sophie Parnham** took home a Bronze for top 30 per cent.

## RIBBONS and FUN

**For everyone!**

BACKSTROKE: 25M 50M 100M

BREASTSTROKE: 25M 50M 100M

Angus Campbell is playing Water Polo for Australia!

## Yarraville SC Water Polo star heading for Europe

Congratulations to **Angus Campbell** for selection in the Australian U16 Water Polo team heading for Europe. Angus started swimming at YSC as an eight year old and is now our water polo instructor. We encourage all Level 5 boys and girls to join in and have a go at Water Polo. If you like ball sports - this one is like no other. Thanks to **Natasha Zalewski** who has had to finish her water polo instructing because of study commitments.

**Cut out and bring this voucher to YSC Water Polo to get first lesson free.**

7.30PM Thursdays Victoria University Pool, Footscray Park

As swimming lessons are usually less busy during the winter months...

**SWIM AUSTRALIA**

Your child may find it easier to advance, not only in confidence, but in skills...

Kids may be offered more personalised attention (even one-on-one time!)

Kids who don't continue in swimming may regress in ability come the warmer months.

## YSC teacher changes

Many of our teaching staff are currently organising their new university timetables. Unfortunately this means that there may be some changes to lessons. We apologise in advance for this and will do our best to keep changes to a minimum.

If your child wishes to stay with a favourite teacher, please feel free to speak to our reception staff. We may be able to find a place with the same teacher on an alternative day.

### In other Results:

YSC swim star **Amelie LeGrand** made the Victorian schools swim team after a blistering 50M Breaststroke at the Victorian Schools final. **Amelie** will be going to Adelaide later in the year to compete in six individual and relay events in the Pacific School games, and we wish her well.

YSC took a promising young team to the recent Essendon Encouragement Meet at Victoria University. Many YSC kids were attending their first meet. **Luke Panknin** was a standout winning everything. **Takdanai** gave a boy from one of Victoria's high performance clubs a scare in the butterfly to finish second. **Lilu, Sophie, Lauren** and **Lija** made impressive debuts on the local swimming scene and all the YSC kids had fun and did really well! Thanks **Nelson Bryce** for helping with marshalling.

## Why do YSC kids do so well?

Because all four strokes are a standard part of the YSC curriculum from the beginning. If they decide to compete, our kids can cover the spectrum of strokes and distances.

**We are talent scouting!**

## District Short Course Championship results

YSC was represented by **Amelie LeGrand, Stefan Holmes, Lloyd Deunk** and **Luke Bearman**. Although our four swimmers were one of the smallest teams, the YSC kids performed incredibly well to win 6 golds (17 medals overall) and finish sixth out of the 22 clubs participating. That included some of the biggest swim schools in Victoria, like Maribyrnong, Laverton, Footscray and Swimland (with a team of 20+)

**Stefan Holmes** set the 2nd fastest time for 100m Back in Western Suburbs U9 history. **Lloyd Deunk** broke his PB by 7 seconds in the 200M Medley to win gold - and did it all after his goggles dislodged in the dive! **Amelie LeGrand** made state qualifying times in Freestyle and Medley. Amelie and Lloyd were selected in the district team which won at Wangaratta.
